Policy Statement

This policy has been established in compliance with Regulation 191/11, "Integrated Accessibility Standards" ("Regulation") under the *Accessibility for Ontarians with Disabilities Act, 2005* ("AODA") and aligns with Power Precast Solutions' commitment to treat all employees in a manner that respects their dignity and independence. The intent of these standards is to break down barriers and increase accessibility for persons with disabilities, in the areas of Information and Communications, and Employment.

Power Precast Solutions is governed by this policy as well as the Accessibility for Customer Service Policy and AODA in meeting the accessibility needs of persons with disabilities.

Commitment

Power Precast Solutions is committed to treating all people in a manner that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of persons with disabilities in a timely manner and will do so by preventing and removing barriers to accessibility requirements under AODA.

Multi-Year Accessibility Plan

Power Precast Solutions has developed and will maintain and document a Multi-Year Accessibility Plan outlining its strategy to prevent and remove barriers from its workplace and to improve opportunities for persons with disabilities.

The Multi-Year Accessibility Plan will be reviewed and updated as needed and is posted on Power Precast Solutions' internal and external websites. Upon request,

Integrated Accessibility Standards Policy

Power Precast Solutions will provide a copy of the Multi-Year Accessibility Plan in an accessible format.

Training Employees

Power Precast Solutions will ensure that training is provided on the requirements of the accessibility standards referred to in the Regulation and will continue to provide training on the Human Rights Code as it pertains to persons with disabilities to:

- All its employees
- All persons who participate in developing Power Precast Solutions' policies
- All other persons who provide goods or services on behalf of Power Precast Solutions.

The training will be repeated as needed and when any changes or updates are made to our accessibility policies.

Information and Communication

Feedback

Power Precast Solutions ensures that its process for receiving and responding to feedback is accessible to persons with disabilities by providing, or arranging for the provision of, accessible formats and communication supports, upon request.

Power Precast Solutions will consult with the person making the request in determining the suitability of an accessible format or communication support.

Websites and Content

Power Precast Solutions will endeavor to ensure that their website will continue to conform to the World Wide Web Consortium Web Content Accessibility Guidelines (WCAG).

Employment Standards

Recruitment

Power Precast Solutions has notified its employees and the public about the availability of accommodation for candidates with disabilities in its recruitment process.

Power Precast Solutions notifies candidates when they are individually selected to participate further in an assessment or selection process that accommodations are available upon request in relation to the materials or processes to be used.

Integrated Accessibility Standards Policy

If a selected candidate requests accommodation, Power Precast Solutions will consult with the candidate and provide or arrange for suitable accommodation in a manner that considers the candidate's needs due to disability.

Notice to Successful Candidates

When making offers of employment, Power Precast Solutions will notify the successful candidate of its policies for accommodating employees with disabilities.

Informing Employees of Support

Power Precast Solutions will continue to inform its employees of its policies and updates to those policies that are used to support employees with disabilities, including policies on the provision of job accommodations that consider an employee's accessibility needs due to disability. This information will be provided to new employees with their onboarding training.

Accessible Formats and Communication Supports for Employees

Upon the request of an employee with a disability, Power Precast Solutions will consult with the employee to provide or arrange for the provision of, accessible formats and communication supports for information that is needed to perform his/her job, and information that is generally available to other employees. Power Precast Solutions will consult with the employee making the request to determine the format or communication support that is suitable.

Workplace Emergency Response Information

Power Precast Solutions provides individualized workplace emergency response information to employees who have a disability, if the disability is such that the individualized information is needed, and if Power Precast Solutions is aware of the need for accommodation.

When the employee requires assistance, Power Precast Solutions will, with the consent of the employee, provide the workplace emergency response information to the person designated by Power Precast Solutions to aid the employee.

A new or revised individualized plan will be provided as required.

Documented Individual Accommodation Policy

Power Precast Solutions maintains a written process for the development of documented individual accommodation plans for employees with disabilities. If requested, information regarding accessible formats and communication supports will

Integrated Accessibility Standards Policy

also be included in individual accommodation plans. The plans will include individualized workplace emergency response information where required.

Return to Work Process

Power Precast Solutions maintains a documented return to work process for its employees who have been absent from work due to disability and who require disability-related accommodation to return to work. The return-to-work process outlines the steps Power Precast Solutions will take to facilitate the return to work and will include documented individual accommodation plans as part of the process.

Performance Management, Career Development, Advancement and Redeployment

Power Precast Solutions considers the accessibility needs of employees with disabilities, as well as individual accommodation plans, when conducting performance management, providing career development and advancement to employees.
